

Section plan

A4

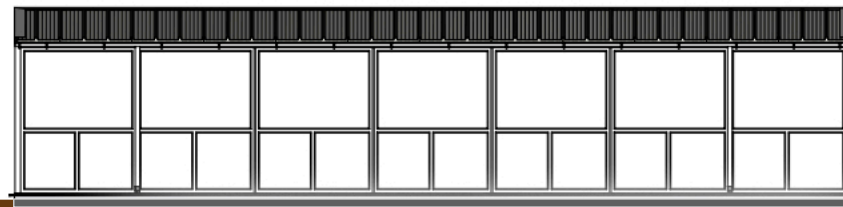

SOUTH ELEVATION - SIDE PLAN

Fence at the side of garden - 1.8m higher than ground level. 45' slope from rear of base to fence.
The base will be constructed 1m from the side fence.

EAST ELEVATION - FRONT PLAN

The base sits above ground level by 30 cm and will be hidden by a raised flowerbed made of sleepers and containing thoughtful planting that encourages bio diversity and pollinators.
(see separate planting scheme)

Fence at rear of garden - 1.8m higher than ground level. 45' slope from base to rear fence.
The base will be built 1 metre from the rear fence

- Panel
- Glass
- Mesh

Scale: 1:100
