Re: planning application H/23/95882

I am writing to confirm that the intended use of the proposed extension at my address, 40 Harvey Road, SO50 6GT, is personal home use.

The space will be used as a family space, which is to include desks for studying and playing computer games, which is why the space includes desks and is termed as an office in the plans. It would be equally valid to describe the proposed space as a study or a family room.

I hope that satisfies any concerns,

Many thanks,

Esther Roeger.
