Details of the pre-application advice received

Thank you for your email and the delay in my reply, I wanted to speak with a Senior Colleague regarding your request to include the single storey rear extension.

I can advise as this would greatly change the description, it is advisable to either submit a new householder application for just the single storey rear extension or withdraw the current householder application and resubmit with both the front and rear extension.

Update on the photos you supplied for the Ecologist to review. They have advised a preliminary bat assessment would not be required for the flat roof option to the front extension.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☒ No

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.
