Hi Rachael
LAMBERT BROTHERS HAULAGE LTD, WOODSIDE AVENUE, EASTLEIGH, SO50 4ZR ; X/23/95488

There are only a few minor discrepancies between the Landscape plan I have informally advised you is acceptable, and the new layout submitted under this application. These may just be because the scale of the drawing is 1:500, so the changes may just be a casualty of that, rather than actual changes.

They are four Narrow shrub beds. They are each parallel to and alongside the agreed hedge alongside Woodside Rd. Each forms a narrow strip of shrub planting between the last car parking space (in each of the parking rows running perpendicular to the road) and the hedge. Can you please ask the applicant to clarify if there is a revised layout in these areas? My main concern is to avoid pedestrians trampling the soil in the bed with the hedge. These little beds did help with that.

Best regards
Mark
