Dear Rachael

Re: Planning Application No. PN/23/95955

Our Ref: SOU23045

I refer to your email dated 11/9/23.

The Conversion of Class E units to 7.no 1-bedroom flats (Class C3) with the retention of Class E units to the ground floor frontage and first floor rear. Removal of portacabin at rear and erection of refuse/cycle storage. Existing portacabin removed at rear to provide refuse and cycle storage at 2 LEIGH ROAD, EASTLEIGH, SO50 9FH has been examined from an aerodrome safeguarding perspective and does not conflict with safeguarding criteria.

We therefore, have no objection to this proposal.

Given the nature of the proposed development it is possible that a crane may be required during its construction. We would, therefore, draw the applicant's attention to the requirement within CAP 1096 the Guidance to crane users on the crane notification process and obstacle lighting and marking.

Regards

Nigel Spence
Airside Assurance Manager
