

This architectural elevation drawing shows a two-story house. The main structure has a gabled roof with a chimney on the left side. The front facade features a large bay window on the left, a central window, and a large front door with a transom. To the right, there is an attached section with a lower roofline, containing a large double door and additional windows. The drawing uses simple lines and shading to represent the building's form and materials.

Location Plan - 1:1250

K.A.D. Licensed O.S. No. 100047482

A simple line drawing of a house. It features a triangular roof with a chimney on the right side. The main body of the house is a large rectangle, and there is a smaller rectangular area in the center, likely representing a window or door. The drawing is composed of black outlines on a white background.
