Dear Eastleigh Planning Department,

I am writing to you in relation to the planning application No. F/22/93935 for a Registered residential service at Hilltop, Pinewood Park, Southampton.

As an organisation we support residential services being set up in rural settings alongside services in local areas close to amenities and public transport. The rationale for this is some of the people we support are unable to manage living in busier environments and they feel safer living in a quieter setting where they can have more space to be able to live a fulfilling life.

Yours sincerely

Karen Crooks
Nurse Associate
