

Planning Application
HILLTOP, PINWOOD PARK, SOUTHAMPTON, SO19 6AL

James Tait	5 DUMBLETON CLOSE SOUTHAMPTON SO19 6AP	Would like to object to this application on the grounds of parking. The proposed block plan details parking spaces for 7-10 cars meaning no requirement for street parking. However, this is only achieved by "blocking in" multiple car parking spaces. Inevitably the 7 staff (& potential visitors) will park on the street to avoid blocking each other in as they will be coming in for a handover before the off going staff leave. The adjacent road cannot accommodate this without detriment to the people living here. The planning statement also refers to staff being encouraged to use public transport, there is little public transport in the area with the nearest bus stop running to Southampton city being about a 1km walk.
Adele Carter	WINDGARTH PINWOOD PARK SOUTHAMPTON SO19 6AL	My husband and I strongly object to this planning application for the change of use for the second time. Ourselves and the neighbours have objected to this planning application on one letter from Mr A Gray dated 6 November 22 and we fully endorse all the comments in this letter. Lastly I would like to say that we did not received a planning letter but we are only two houses away from Hilltop but obviously the council must deem us to far away for us to be affected but this application affects the whole road not just the houses closest, especially as they are at the entrance to the road.
Peter Small	ROWAN PINWOOD PARK SOUTHAMPTON SO19 6AL	As residents of the neighbouring property, we have today submitted a letter of objection to planning@eastleigh.gov.uk. Details of our objection can be found within said letter See attached letter dated 08/11/2022..
