(6) In this article -

“development value” means an increase in value attributable to the prospect of development; and, in relation to any land, the development of it shall include the clearing of it; and

.....

(5) Every register kept under this section shall be available for inspection by the public at all reasonable hours.

Section 70

(1) Subject to subsections (1A) and (1B), where an application is made to the authority for consent under a tree preservation order—

- (b) they may refuse consent under the order.
