Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

An increase in the fence height around the newly refurbished tennis courts will ensure they are secure and aid to prevent damage to the courts and nets.

The fence is currently galvanised roll weldmesh at 2.75m high and it will be updating the fence to twin-bar to 4.5m high. This will prevent the fence being damaged.

Has the work or change of use already started?

- ☐ Yes
- ☒ No

Existing Use

Please describe the current use of the site

The site has three tennis courts available for use however, they are currently underutilised as they are in need of refurbishment works. If residents are wanting to play tennis, they book through Youth Options who would then unlock the courts. The current demand for tennis at The Hub is low due to the quality of the courts.

In partnership with the LTA, we are receiving a grant to resurface, paint, provide new equipment and implement gate access technology to allow residents to book online.

Is the site currently vacant?

- ☐ Yes
☒ No

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.
