Dear Ms Sharpe,

OLD OAK FARM, WINCHESTER ROAD, FAIR OAK, EASTLEIGH, SO50 7HD

2.no. totem sign boards (2.4m high in total) with 1.2m wide oval head boards

In regard to application A/23/96043, having reviewed the information contained in the application pack, there would be a holding objection to the proposals subject to updated drawings.

The location of the signage appears to be only 1.2 metres from the edge of highway, and as such would obscure required visibility splays when egressing the site. It would be requested that they are either pushed back into site to a point 2.4m from the edge of highway, or appropriate visibility splays are added to the drawings to show that the signs are indeed set outside of the visibility envelope.

Once updated drawings are received, a re-assessment of the application can be undertaken.

Yours sincerely,

Matt Grantham
