Details of the pre-application advice received

A letter was received on 12th Oct 2023 notifying that the ground floor change of use was within Sui Generis to Sui Generis and required planning permission to be submitted. We have since found the intended use is within Class E, not Sui Generis.

This followed previous advice from EBC planning via a phone conversation that the intended change of use did NOT require a change of use application. This advice was after the revocation of the A use classes in 2020 and therefore was the wrong advice, hence the need for this application now.

Further contact was made with EBC for clarification and on 16th October confirmation was received that Full Planning Application is required. We have actioned this as soon as was possible to do so.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
