

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/23/95907					
Surveyor	Charlotte Holloway					
Address	9 WOODERSON CLOSE, BISHOPSTOKE, EASTLEIGH, SO50 8QB					
Proposed work	2 no. Oak - Reduce lower canopy by 3m (max pruning cuts 90mm dia.), mid canopy by 1-2m (max pruning cuts 80mm dia.) to blend into upper canopy shoulder. Reason: to allow more light and air into garden.					
Assessment Date	18/10/23					
Officer comments	The trees are to the north of the property. They appear to be a boundary feature and are visible from both Wooderson Close and Athena Close. The trees offer amenity and character to the local area. The proposed work to reduce the tree is unlikely to have a detrimental impact to the tree's amenity value or overall health. It should be noted that due to the tree's location, the proposed works are unlikely to increase light levels in the garden.
