

Altman, Rebecca

Subject: FW: F/23/96256 - Land adjacent to Boorley Park Primary School, Botley

Hi Rebecca,

F/23/96256 - Land adjacent to Boorley Park Primary School, Botley

Arboricultural Documents

None

Comments

As with the previous submission (F/22/94241), no arboricultural information has been submitted. However, it was not seen as being relevant because of the lack of significant trees on the site – there was some screening and hedging, but nothing arboriculturally significant.

Therefore, we do not raise an objection to the proposals.

Kind regards,

Chris.
