Dear Ms Harrison,

RE: Planning Application Consultation Request DC/23/95184 condition discharge Boorley Green

Thank you for your consultation. I have read the submitted archaeological report and am happy to endorse it to you as meeting the archaeological concerns that the site should be subject to an archaeological evaluation and appropriate mitigation thereafter. I am also aware that a copy of this report has been provide to the Historic Environment Record.

I would not raise any archaeological objection to the discharge of the archaeological conditions.

Yours sincerely
