

Front Elevation
1:50

Rear Elevation
1:50

Design information is work in progress and subject to detail development & Client approval. Dimensions must be checked on site with any discrepancies reported to the Architect for confirmation prior to any construction. Costings should not be finalised until approval /confirmation by relevant authorities and Client. This drawing does not indicate the structural integrity/requirement of existing or proposed works, all alterations must be confirmed by a qualified structural engineer.
