

H/23/96289 – 78 Hobb Lane, Hedge End, Southampton, SO30 0GP
Tree Consultation Response received 01/11/2023

There is a single tree to the front of the property. This tree is relatively small and not in great condition. It should not be a constraint on development. Regardless, the development area is away from this tree and, therefore, we raise no arboricultural objection.
