Dear Ms Hei-Tung-Hoh,

LA MON HOUSE, HUNGERFORD, BURSLEDON, SOUTHAMPTON, SO31 8DE

First Floor Side and Single Storey Rear Extensions and Extended Porch

In regard to application H/23/96274, having reviewed the information contained within the application pack, there would be no objection to the proposals from a highway perspective.

Access in and out of the site is unchanged by the proposals, utilising a shared driveway access with the adjacent property to the north. Whilst access gates are proposed, these are set back into site a sufficient distance into site and will not obstruct either the highway or the internal access to the adjacent property, whilst gates are opened.

Onwards, there remains a sufficient driveway area to accommodate the required parking, as well an enabling on-site turning so that forward gear access and egress can be achieved.

Yours sincerely,

Matt Grantham
