Good morning

I show below the Parish Council's comments to the following application:-

Application No: [PN/23/96355](#)

Address: Cockpit Farm Barn, Knowle Lane, Horton Heath

Description: Application for Prior Approval under Class R of the General Permitted Development Order, for conversion of part of existing building to light industrial use (Class E(g)(iii)).

Comments: Object. Unsuitable location for light industrial. EBC's local plan has provision for this in Eastleigh. Small parcels of industrial use leads to issues of transport, noise, and it simply doesn't mix with the residential and rural nature of this lane. Members requested this application be referred to LAC for consideration.
