

Sketch Plan of Tree Works at Charlton, Church Lane, Bursledon, SO31 8AB

Alex Lambert

Ornamental Trees (T1 to T14)

Ornamental Trees of mixed species (Catalpa, Box Elder and a variety of Acer). This is routine maintenance work to shorten overextended branch work including reduction on trees at 7/8m, keeping all trees to a height of 6m.

To be completed in the winter after leaves have dropped.

T1 to T14 in the foreground, not the distant trees in the background.
