2. Site & Planning History

- 2.1. Eastleigh District Council website shows 0 planning history for the application.

3. Proposal

- 3.1. This application seeks to obtain permission for the erection of an automated wooden open panelled gate to the front of the client's property. The gate will be 4ft high at the post end and 5ft high at the centre position. [REDACTED]
- 3.2. The wooden gate is an open panelled style that will be automated. The pre-planning advice was to erect a wooden open panel gate instead of a metal gate which is what is being proposed. Please see an image of the gate in the appendices that will be erected. The gate at the post end is 4ft high while the centre position will be 5ft high.
