Dear Ms Altman,

**Cockpit Farm Barn, Knowle Lane, Horton Heath**

**Application for Prior Approval under Class R of the General Permitted Development Order, for conversion of part of existing building to light industrial use (Class E(g)(iii)).**

In regard to application PN/23/96355, following on from the previous HCC Highway consultation response dated 30 November 2023, it is noted that the applicant has submitted an updated Highway Technical Note

This now includes the appropriate vehicle tracking diagrams that had been previously missing, but were contained within the Highway Technical Note associate with alternative application PN/23/95763 which had been submitted by the same applicant.

As previously outlined, this tracking is acceptable given the level of vehicle movements anticipated and again outlined within the Highway Technical Note.

All other elements of the previous HCC Highway response dated 30 November 2023 remain the same, and there is no objection to the proposals from a highway perspective.

Yours sincerely,

Matt Grantham

Director of Hampshire 2050
