

- The contents of this drawing are copyright.
- Planning drawings are only to be used for planning purposes & no reliance on compliance with Building regulations should be assumed.
- Do not scale. Figured dimensions only to be used.
- Contractor must verify all dimensions and report any discrepancies before putting work in hand or making any shop drawings.
- All flat roofs to be fitted with a man safe system to satisfy CDM 2015 regulations unless written confirmation from Principle Designer/ Principle Contractor is provided to show alternative compliance has been sought and approved.
- Stair design to be independently checked by stair fabricator for regs. compliance and sizing prior to construction/ ordering. Dimensions to be checked before fabrication.
- Masterman waterproofing specialists (or similar company with relevant PI insurance) to be instructed and detail all basement waterproofing designs. - ARC carry no responsibility or PI cover for basement designs in terms of waterproofing or structure in any way.
- A design and risk assessment should form part of our drawing package. If you have not received this from us by post, email or collection please contact us for a copy before moving forward with the project.
- We take no responsibility for the depicted site ownership boundary. Clients must notify us if they feel the our plans do not accurately depict their ownership or area of control for planning purposes.
- We do not take responsibility for meeting minimum space as setout in Government Technical housing standards - nationally described space standards document.
- All Cladding & building attachments externally to be all A1 fire rated.

NOTE SPRINKLERS WILL BE REQUIRED
