

HEDGE END, WEST END AND BOTLEY LOCAL AREA COMMITTEE

Monday, 12 June 2023 (7:00 pm – 8:28 pm)

PRESENT:

Councillor Garton (Chair); Councillors Asman, Corben, Du-Crow, Gomer, Hadaway, House, Kinloch, Kyrle, Pretty, Tennent and Welsh

RESOLVED ITEMS (SUBJECT TO QUESTIONS ONLY)

177. DECLARATIONS OF INTEREST

There were no declarations on interest in relation to items of business on the agenda.

178. MINUTES

RESOLVED -

That the Minutes of the meeting held on 30 January 2023 be confirmed and signed by the Chair as a correct record.

179. PUBLIC PARTICIPATION

There was no public participation on this occasion.

180. CHAIR'S REPORT

The Chair welcomed everyone to the Hedge End, West End and Botley Local Area Committee meeting, and gave a warm welcome to Councillor Barry Du-Crow who was elected to the West End South ward in May and to the returning Councillors.

The Chair gave thanks to Tim Bearder for his service to our communities as a member of the Local Area Committee and wished him success and happiness for the future.

Boorley Park

In May, the Mayor of Eastleigh visited Boorley Park primary school to meet children on the School Council who had organised a competition to design road safety posters to promote careful driving and considerate parking near to the school. This Committee have paid for the two winning designs to be turned into bin stickers and a banner, to help raise driver's awareness. The children thoroughly enjoyed meeting the Mayor and had excellent questions about his role on behalf of the citizens of Eastleigh Borough.

Hedge End Unwrapped

The Chair was thrilled to see so many visitors to Hedge End Unwrapped yesterday, and to have the opportunity to watch the incredible performances. This is the third year that the event has been held in Hedge End and it was wonderful to see how it has grown. The Committee supports the Council's Arts team to bring events such as these to the local area for the enjoyment of all the residents.

Berrywood Meadows

In April, and in spite of the consistent rain, the Council was able to complete the planting of a 'mini forest' at Berrywood Meadows, supported by the Hampshire Forest Partnership. Following the method developed by Dr Miyawaki, the saplings have been planted in a particular way to effectively speed up the maturation process of a woodland enabling the mini forest to resemble a mature woodland in 20-30 years rather than more than 150 years.

181. LOCAL AREA MANAGER'S REPORT

The Lead Local Area Manager announced that following a review of Local Area working, the team supporting Local Area Committees has recently undergone a restructure. At the beginning of April, Kitty began a new position as the Lead Local Area Manager for the Council and will be working closely with her team, Council staff and Councillors to strengthen the role of Local Area Committees with greater strategic planning, increased public engagement and participation, and more collaboration and co-ordination across the five Local Areas.

Moving forward, Ross McClean will be supporting the Committee as the Hedge End, West End and Botley Local Area Manager and will also continue to support the Bursledon, Hamble-le-Rice and Hound Local Area.

Kitty thanked Siobhan, Council staff, the Town and Parish Councils, and the partners in HEWEB for their support, and for their commitment to our communities.

Kitty expressed sincere gratitude to this Committee for the support and kindness they have offered during her time as Local Area Manager, with special thanks to the Chair, Councillor Garton; and to recognise the Committee's enthusiasm and dedication to improving the quality of life for local residents.

The Chair extended her thanks from the Committee to Kitty for her hard work and dedication.

182. PRESENTATION ON PLANNING GUIDELINES

The Principal Planning Officer gave a short presentation on guidelines that had to be taken into account when determining planning applications; in

particular the issues that could, and could not, be taken into account. This was set against the broader policy framework.

183. PLANNING APPLICATION - THORNEYDOWN FARM, MOORHILL ROAD, WEST END, SOUTHAMPTON, SO30 3AY

The Committee considered the report of the Service Director for Planning and Environment (Agenda item 8) concerning an application for Change of use of land for the siting of touring caravans, motorhomes and tents including a small amenity block and the terracing of the site to accommodate roads, parking and pitches (where appropriate). (Ref: F/22/93970).

RESOLVED -

That permission be REFUSED with reasons recommended in the committee report.

(Note: The Applicant's agent spoke in support of the application stating that the proposal provides high quality grass pitches and additional landscaping, no previous flooding had occurred at the site and additional parking could be provided.)

184. PLANNING APPLICATION - MOORGREEN FARMHOUSE, MOORGREEN FARM, BURNETTS LANE, WEST END, SOUTHAMPTON, SO30 2HH

The Committee considered the report of the Service Director for Planning and Environment (Agenda Item 9) concerning the conversion of first floor of existing detached garage to C1 AirBnB. (Ref: F/23/95117)

The following update was given to the Committee:

Natural England Comments: Further information is required with regard to the package treatment plant.

Additional Condition: The holiday let hereby permitted shall only be used by the same occupier(s) for a maximum of 21 days.

Reason: To retain the unit as a holiday let.

RESOLVED –

That permission be REFUSED for the following reasons:

- 1) **Insufficient information has been submitted to demonstrate whether the originally approved first floor ancillary store and office was implemented and lawfully established for a reasonable period of time prior to the proposed holiday let use, thus would not be considered 're-use' in terms of Policy S5. The change of use would therefore result in an intensification**

of development within the countryside. The proposals would therefore be contrary to Policies S1, S2, S5 and DM26 of the Eastleigh Borough Local Plan (2016-2036) and the provisions of the NPPF (2021).

- 2) The application fails to provide the required mitigation to offset the impacts of the development upon the European protected Solent Complex (SPA, SAC and Ramsar sites), and New Forest National Park (SPA, SAC and Ramsar sites) from additional recreational pressure and nitrogen loading generated by the population increase and additional sewage resulting from the development. The proposal is therefore contrary to the requirements of Policy DM11 of the Eastleigh Borough Local Plan (2016-2036), the provisions of the NPPF (2021) and the Conservation of Habitats and Species Regulations 2017.

185. STREET NAMING REPORT

The Lead Local Area Manager introduced the report. (Agenda Item 10)

Councillor House requested that roads which are not through roads be renamed to 'Close'.

Councillors asked for Knot Road to be renamed as it could be confusing. It was also requested that Cormorant Close be renamed, as the Cormorant is a shore bird.

RESOLVED –

It was agreed that:

- (1) Knot Road and Cormorant Close be renamed;
- (2) The suffix for Bunting Road, Grebe Road, Jay Road and Grouse Road be changed;
- (3) The road names proposed for the development known as Boorley Gardens were approved; and
- (4) The road names for the development known as Boorley Gateway were noted.

186. AREA ACTION PLAN 2023-2024

The Lead Local Area Manager introduced the report. (Agenda Item 11).

RESOLVED –

That the Committee:

- (1) Noted the progress to date on identified projects and priorities during 2022-2023; and
- (2) Approved the Hedge End, West End and Botley (HEWEB) Local Area Action Plan Priorities 2023-24 shown in Appendix Two for adoption and publication.

187. ANNUAL REVIEW

The Lead Local Area Manager introduced the report (Agenda Item 12).

RESOLVED –

That the Committee considered and agreed the contents of this report.

188. FINANCIAL MANAGEMENT

Consideration was given to a report of the Local Area Manager (Agenda Item 13) that contained recommendations for expenditure from the Committee's capital and revenue budget.

RESOLVED –

That the Committee:

- (1) Allocated £56,761.58 of developer's contributions towards the IVCP Masterplan project;
- (2) Noted the expenditure of £35,000, funded from the following developer's contributions, towards the Chancellor Park play area and additional Rhyno Mulch flooring in the Boorley Park play area adjacent to the Sports Pavilion;
