Dear Rebecca,

Re: Planning Application No. F/23/96049
Our Ref: SOU23057

The Installation of 52 Solar Panels to reservoir roof at High Wood Reservoir, Allington Lane, Southampton, SO30 3HQ, has been examined from an aerodrome safeguarding perspective and could conflict with safeguarding criteria unless any planning permission granted is subject to the condition detailed below:

Submission of a Bird Hazard Management Plan

Development shall not commence until a Bird Hazard Management Plan has been submitted to and approved in writing by the Local Planning Authority. The Bird Hazard Management Plan should comply with advice note 3:

<https://www.aaa.org.uk/wp-content/uploads/2016/09/Advice-Note-3-Wildlife-Hazards-2016.pdf>

The Bird Hazard Management Plan shall be implemented as approved, on completion of the development and shall remain in force for the life of the development. No subsequent alterations to the plan are to take place unless first submitted to and approved in writing by the Local Planning Authority.

Reason: It is necessary to manage the areas on the development in order to minimise its attractiveness to birds which could endanger the safe movement of aircraft and the operation of Southampton Airport.

We, therefore, have no aerodrome safeguarding objection to this proposal, provided that the above condition is applied to any planning permission.

Yours sincerely,
Nigel Spence
For and on behalf of Southampton Airport Limited

Application No: F/23/96049

Address: High Wood Reservoir, Allington Lane, Southampton, SO30 3HQ

Description: Installation of 52 Solar Panels to reservoir roof.

Would you please let me have your observations on the above application.

You can access the plans and documents via our portal [F/23/96049](#)

In order to meet the Government's challenging targets for our speed of determining applications, we require any comments you wish to make within 21 days from the date of this memo. Failure to meet this time period will usually result in an application being determined without your comments being considered.

Please reply to the planning officer on the below email address.
