

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/23/96346					
Surveyor	ST on site with SK					
Address	11 STIRLING CRESCENT, HEDGE END, SOUTHAMPTON, SO30 2SA					
Proposed work	1no. Oak - Crown reduction to reduce overhang over the garden of No. 11 to 1m across the fence with No. 21.					
Assessment Date	23/11/23					
Officer comments	Tree is part of historic boundary line/feature that was retained through development and is visible from most points at Stirling Crescent. The tree line consists of highly visible mature oak trees. The tree sits in the back garden of properties 11 and 21. The trees canopy hangs low over the garden of property 11. The tree seems to be in a good physiological and structural condition. The proposed works could result in the tree being 'sided' which would adversely affect the amenity. The specification is not clear which side of the fence is intended; no measurable dimensions supplied.					
Decision	Consent	Refuse	Part consent/ Part refuse	Withdrawn / Invalid	Conservation Area	
					Raise no objection	TPO
			X			
Decision notice	Refuse: 1no. Oak - Crown reduction to reduce overhang over the garden of No. 11 to 1m across the fence with No. 21. Consent: Crown lift south side of tree over garden of property 11, to a height of 4-4.5m above ground level to good target pruning points.					
Conditions	All pruning wounds must be 65mm or less					
Notes to applicant						
Parish comments	Object as no supporting evidence and the excessive pruning will have an impact on the trees health.					
Public objection/ support	Support		Objection		Observation	
	1		1		0	
Objection/ support consideration	The public and Parish comments have been considered during the decision-making process.
