

H/23/96529 60 KINGSWAY, CHANDLER'S FORD, EASTLEIGH, SO53 1FJ

Single storey rear extension, garage conversion and alterations to the fenestration.

Thank you for consulting Ecology, my observations are as follows:

The proposed single storey extension and garage conversion will not impact upon any features which could be used by protected species or impact on any habitats with nature conservation value. On this basis the proposals as presented are not contrary to Local Plan Policy DM11 (Nature Conservation) and I raise **no objection** on grounds of ecology.
