Dear Gary

Please see below for comments from Hedge End Town Council Highways and Planning Committee.

Object on the basis overdevelopment and the impact on the environment. The area already floods as can be demonstrated from the photos attached from December 2023 and this would only exacerbate these issues. The Council would want to see further mitigation to address the impact of flooding. The Council would also want to ensure that the roots of the mature Oak would not be adversely affected by the development.

Best regards
Sarah
