YOUR COMMENTS ON THE CASE

I am writing to support the decision of Eastleigh Borough Council to refuse retrospective planning permission in this case.

This site has been developed ,without planning permission, in such a way as to be detrimental to the countryside. It has all the appearance of industrialised use in an area of countryside which is the strategic gap between Southampton and Eastleigh. Such a development is an eyesore and would give precedent to other similar developments, if permitted. Eastleigh council are absolutely correct in insisting that this application is rejected.
