Dear Ms Stone,

12 CHAPEL ROAD, WEST END, SOUTHAMPTON, SO30 3FH

Dropped kerb to the front of the property to create new vehicular access

In regard to application H/23/96563, having reviewed the information contained within the application pack, there would be no objection to the proposals from a highways perspective.

It is noted from historic googlemap streetview that the driveway has been in place and parked upon since at least October 2008, and the implementation of this will simply formalise this and provide easier access. With no known incidents occurring as a result of the existing driveway, no justifiable reason to object exists.

It should however be noted by the applicant that subsequent to any permission that may be forthcoming from EBC as Local Planning Authority, a secondary permission will be required from HCC as Local Highway Authority to actually undertake the works.

Details of this can be found via the following link:

<https://www.hants.gov.uk/transport/parking/droppedkerbs>

Yours sincerely,

Matt Grantham
