Lighting design layout has been performed according to current standards, information supplied prior to commencing design and good design practice.

Onsite conditions, reflectance values, unknown obstructions, performance of specific components and assumptions made by Engineers may cause differences between calculated and measured and delivered values.

Dextra Group PLC will NOT accept any responsibility for the indicative emergency layout.
This drawing in its entirety is for indicative purposes and Dextra Group PLC will NOT be held responsible for any discretions in either design or specific onsite complications.

PDF conversions to CAD drawings may not be dimensionally accurate.
