Hi Charlie

Following last evenings planning meeting in relation to:- H/25/100617

I can confirm that the Planning Committee would like to object to this application.

Their comments are as follows:-

The Parish Council supports the Built Heritage Consultants holding objection requesting amplification or changing of the items listed within the proposal.

Please can you add this to the Planning portal as it's no longer available for me to comment (as it's past the consultation period).

Many thanks

Kind regards

Helen Robinson
