

We the undersigned from Elizabeth Court, Elizabeth Close, Southampton, SO30 3LT
oppose the **Planning Application no: F/25/100593** for the following reasons:

1. The amount of extra traffic coming into the close, due to the lack of parking facilities and residents being blocked in.
2. More noise and children running around the outside of resident's flats, vehicles and using Elizabeth Court as a cut through to the Scout Hut.
3. Impact on wildlife. Owls, woodpeckers and jays have been seen on the tree proposed to be felled. The replanted tree will take too long to grow.
