Good evening Gina

After talking with the builder he has said there isn't much in it cost wise and that brick would mostly likely look better. So if possible we'll just use brick to match the house?

Kindest regards

Good afternoon Claire,

I hope you are well.

I am in the process of reviewing your planning application and would appreciate some clarification regarding the proposed finishing materials. You have indicated that you would prefer to use render - could you please confirm the colour you intend to use?

Kind regards,
Gina
