For attention of Mr Chapman

Dear Sirs

**Re: F/26/100758 At MACKOY STADIUM, VT SPORTS GROUND,
PORTSMOUTH ROAD, BURSLEDON, SO19 9PW**

New Head Office building to replace existing office and storage units

In regard to application F/26/100758, it is noted that since the previous HCC Highway consultation response dated 29 January 2026, which requested a condition of planning for a Construction Environment Management Plan (CEMP), the applicants have now submitted such a document for consideration.

This has been reviewed, and it can be confirmed that the content of the document are acceptable, outlining required elements such as delivery arrangements; parking provision; and wheel was and road sweeper facilities.

Therefore, there remains **no objection** to the proposals from a highway perspective.

Yours faithfully,

Matt Grantham
