Dear Mrs Harrison,

Planning Application Consultation Request F/26/101013 Oak Cottage Winchester Road Botley

Thank you for your consultation. I would refer you to the archaeological assessment that has been submitted. The assessment reviews the results of large scale archaeological survey ahead of development on neighbouring land and concludes that the site has a low archaeological potential (para 4.47, 4.48 and 5.7). I would agree.

In view of this, despite the scale of the proposal, I would not raise any archaeological issues,

Yours sincerely

David Hopkins
County Archaeologist

Please note that I will be leaving Hampshire County Council on 31 March 2026. For planning matters after this date, please direct your enquiry to the relevant planning authority. [Find your local council - GOV.UK](#)
