For attention of Ms Aftanas

Dear Sirs

**Re: DC/26/101050 At BRIDGE HOUSE, 56 MISSENDEN ACRES, HEDGE
END, SOUTHAMPTON, SO30 2RE**

**Application for discharge of condition 5 (Construction Environmental
Management Plan) of permission reference H/25/99642; for first floor
extension to east side elevation, to include raised ridge height and
alterations to fenestration to rear and east side elevations.**

In regard to application DC/26/101050, and the discharge of Condition 5 –
Construction Environmental Management Plan, the CEMP has been reviewed
and there would be no objection to the discharge of the condition from a
highway perspective.

A development of the size approved under application H/25/99642 would be
anticipated to have very little impact on the local highway network, and the
submitted plan appropriately demonstrates how parking, materials and
working areas will be accommodated on the site, whilst still ensuring that the
shared driveway is kept clear of obstruction to minimise impacts on
neighbours.

Yours faithfully,

Matt Grantham
