Application Number	T/26/101096				
Surveyor	IF				
Address	263 HURSLEY ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 1JQ				
Proposed work	2no. Oak (T1 & T2) - Reduce the lower lateral branches growing towards the house by a max of 2m. Keeping all live pruning cuts to a max of 75mm in diameter. It will involve the pruning of tertiary branches only.				
Assessment Date	14/04/2026				
Officer comments	TPO 282-E (G15) 2no. Oak Large oaks to the front of the property, very high level of public amenity along the highway. Both trees are encroaching onto the roof and towards the house, the reduction to provide clearance is therefore justified. The proposed works won't affect their public amenity and are not likely to cause any long-term effect on their health and vitality.
