For attention of Mr Chapman

Dear Sirs

**Re: DC/26/101214 At ST GEORGES, KEW LANE, BURSLEDON,
SOUTHAMPTON, SO31 8DG**

Discharge of condition 7 (Construction Environmental Management Plan) of application H/25/100061 (Front and rear extension, new pitched roof, front and rear dormers, rear balcony, new open porch, front decking and level/step changes)

In regard to application DC/26/101214, having reviewed the information contained within the application pack, there would be **no objection** to the Discharge of Condition 7 (CEMP) from a highway perspective.

The CEMP outlines all elements required for a development of this size, which given the location includes restricting times of deliveries due to the proximity of local schools; parking facilities on site; and details of wheel wash facilities to prevent mud being transferred onto the highway.

Yours faithfully,

Matt Grantham
