Hi,

Please see below the objection from Hound Parish Council regarding 44 Queens View.

"Hound Parish Council objects to the proposed change of use from a single dwelling (C3) to a 7-person House in Multiple Occupation (sui generis) as it considers it over intensification and out of character with the surrounding residential area.

The scale of occupation is likely to result in increased noise and disturbance that would harm the amenity of neighbouring residents.

In addition, the proposal raises concerns regarding inadequate parking provision and increased pressure on residential streets. The impact of such use would risk undermining the character and stability of the neighbourhood."

Thank you!

Catherine
