**The Town and Country Planning (Tree Preservation) (England) Regulations 2012
The Town and Country Planning Act 1990**

Application No. NC/26/101162

In pursuance of their powers under the above Act and in accordance with your application received on Wednesday 25 March 2026 the Council, as Local Planning Authority hereby **Raise No Objection To** the following :

Description: 1no. Group of Conifers (G1) - Fell. The skate park area is to be renovated, and a current concern is that the trees act as a large screening area, making it a blind spot from most locations around it.
One of the trees within the group has substantial decay in both stems, which poses a danger in a location with such high footfall. A number of snapped limbs have come out of a couple of the trees, as they have started to reach over maturity. There are also a number of included and weak unions within the group. If the tree with basal decay were to be removed, it will open up a very different wind pattern to the remaining trees, which may well lead to further failures within the group. It is for these reasons that the local council wish to remove the group of trees.

Site: Glebe Meadow and skate park, Bishopstoke, SO50 6AL

For the following reasons:

- 1 INFORMATIVE: Please be advised that the Wildlife and Countryside Act 1981 as amended, the Countryside and Rights of Way Act 2000 and the Conservation (Natural Habitats) Regulations 1994 protect ALL wild birds, their nests (whether in use or being built) and eggs and other wild animals including bats and their roosts in or adjacent to trees.

Yours faithfully

A handwritten signature in black ink that reads "N Parker". The signature is written in a cursive style with a horizontal line underneath the name.
