Date 9 Feb'25

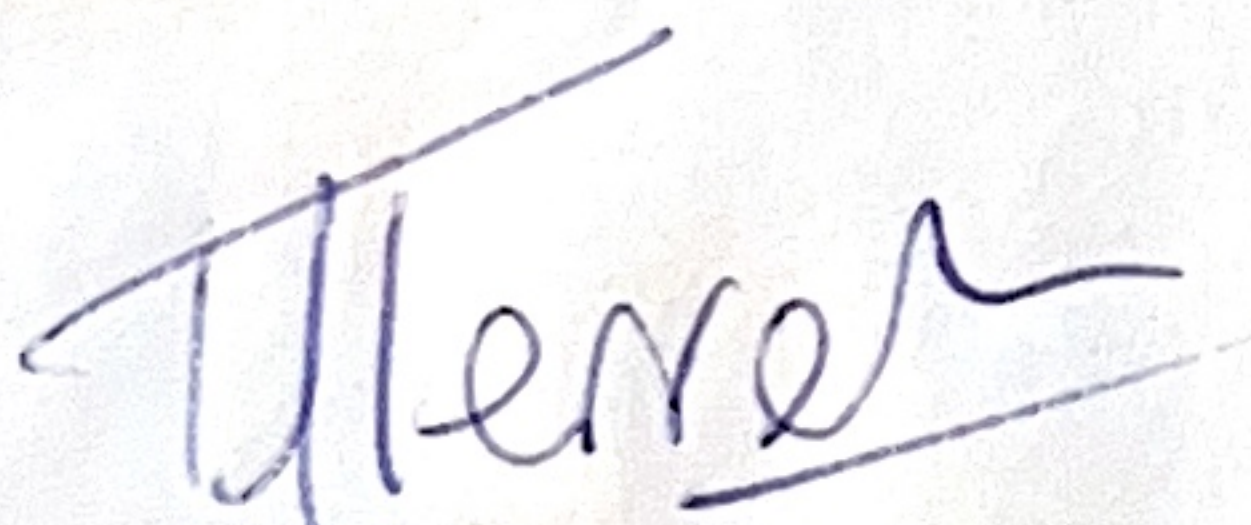

Dear Sir/Madam,

I have for a long time now expressed my concern to Mr. & Mrs. Ward at Badnam Cottage regarding the huge trees located in their garden near the roadside.

High winds and more frequent storms have caused large branch debris onto my property. It worries me greatly on such occasions for the safety of myself, my property and the public highway in general.

For this reason I am supporting Mr. and Mrs. Ward with their application.

Yours faithfully

A handwritten signature in blue ink, appearing to read 'T Terrell', with a horizontal line drawn underneath it.

Mrs Trudi Terrell
