For attention of Mr Chapman

Dear Sirs

Re: A/26/101296 At 1 BISHOPSTOKE ROAD, EASTLEIGH, SO50 6AD

New illuminated signage on building (retrospective)

In regard to application A/26/101296, having reviewed the information contained within the application pack, there would be no objection to the proposals from a highway perspective.

The sign is a static sign with no image movement, and the luminance levels outlined on the application form are 400cd/sqm which is appropriate for a location such as this.

It would however be requested that the following condition is put in place to ensure the lighting levels do not increase in the future.

AMOUNT OF ILLUMINATION

The illumination of the consented sign(s) shall be no greater than 600 candela per square metres and no light source shall be visible from the highway.

Reason: In the interests of highway safety/amenity.

Yours faithfully,

Matt Grantham
