Note to applicant: All works hereby consented should be carried out by a suitably qualified and insured tree surgeon. A copy of the decision notice should be given to the Tree Surgeon.

Note to applicant: Deadwood may be removed at any time without an application.

Note to applicant: Please be advised that the Wildlife and Countryside Act 1981 as amended, the Countryside and Rights of Way Act 2000 and the Conservation (Natural Habitats) Regulations 1994 protect ALL wild birds, their nests (whether in use or being built) and eggs and other wild animals including bats and their roosts in or adjacent to trees.

Note to applicant: The granting of consent does not give the applicant or their agent a legal right to enter land without the owner's permission.

Note to applicant: Advice regarding overhead utilities should be sought with the relevant service provider prior to commencing works.

Note to applicant: Please follow current recommended Bio-security measures - Further advice can be found at <https://www.trees.org.uk/News-Blog/News/Biosecurity-in-Arbiculture-and-Urban-Forestry-Po>

Note to applicant: Deadwood within trees provides a rich and important habitat; it can be a natural part of the trees life cycle. Consider retention of deadwood where it is safe to do so.

Yours faithfully
