For attention of Mrs Martin

Dear Sirs

**Re: F/26/101352 At BARTON PEVERIL COLLEGE, CHESTNUT AVENUE,
EASTLEIGH, SO50 5ZA**

Reconfiguration of the Mountbatten car park to create 17no. additional car parking spaces (including 10 spaces with electric vehicle charging provision) and installation of 2no. cycle shelters (creating 10 additional bicycle spaces) following the removal of the existing cycle shelters and removal of 5no motorcycle parking spaces.

In regard to application F/26/101352, having reviewed the information contained within the application pack, there would be **no objection** to the proposals from a highway perspective.

The updated parking layout provides adequately sized parking bays, and 6.0m aisles for easy movement in and out of the spaces and general circulation.

The proposed cycle parking also provides additional capacity given that two-tier internal layout.

Yours faithfully,

Matt Grantham
