

Eastleigh Borough Council Preservation Order and Conservation Area Application Assessment Form

Application Number	T/26/101108					
Case Officer	Chris Stringer					
Site assessment Date	19/05/2026					
Address	26 COULSDON ROAD, HEDGE END, SOUTHAMPTON, SO30 0JR					
Work notification/ request	1no. Oak (T1, located in land between 26 Coulsdon Road and Hedge End doctors surgery). - Reduce or remove branch by 4-6m (as highlighted in images provided).					
Comments/ observations following site visit	The tree is located behind the application property. It is not a large tree and is not easily visible from the public realm (although there are private views, including from the Medical Centre car park). The main branch in question appears to be some form of epicormic growth that has lapsed. As such it may be liable to failure and the proposal is reasonable, despite the large wound it will create. Further, the proposal will not impact the amenity given the location of the tree.
