

H/26/101304 – 58 MILL GARDENS, WEST END

20/05/2026

Dear Alex,

There are a line of ash trees to the rear of the application property (located in Romill Close). However, the proposed development should not pose a significant threat to these trees given their size and location.

Therefore, we raise no arboricultural objection to the proposals.

Kind regards,

Chris.
