

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/26/101254					
Surveyor	IF					
Address	4 ROEBUCK CLOSE, BISHOPSTOKE, EASTLEIGH, SO50 6JS					
Proposed work	7no. Leylandii - Reduce the height of the shortest down by about 2 metres and then bring down the height of the other trees to the same height, meaning the maximum taken off the tallest tree would be around 8 metres. The reason for this is general maintenance and to protect the trees from wind damage. This works has been advised by a tree surgeon (Bell Tree Services).					
Assessment Date	28/05/2026					
Officer comments	TPO 635-E (A1) area Although the trees are partly visible in the public realm to the back of the property- Sewall Drive, reduction in their height will not cause a significant change/loss of the visual amenity/character of the area. Therefore, the proposed works are considered reasonable.
