Application Number	T/26/101260				
Surveyor	IF				
Address	30 KINGSWAY, CHANDLER'S FORD, EASTLEIGH, SO53 1EN				
Proposed work	T1 – Abies sp. (Fir) Proposed works: Crown lift the tree to provide a minimum clearance of 1 metre from the adjacent street lamp, in accordance with the electricity board's requirements. Reason: To maintain safe clearance from street lighting infrastructure and ensure continued effective illumination of the highway.				
Assessment Date	26.05.2026				
Officer comments	TPO 290-E (T14) Douglas Fir The large tree is at the front boundary of the plot in full view and provides public amenity. Spoke to the resident, the works to clear away from the lamp post already been undertaken and involved removal of 2 small diameter branches that were in contact with the lamp post. The works are only minor and did not affect the tree's public amenity. Retrospective consent.
