For attention of Mr Chapman

Dear Sirs

**Re: PN/26/101425 At Utilita Head Office , Bournemouth Road, Eastleigh,
SO53 3QB**

**Prior approval application under Schedule 2, Part 14, Class J of the
Town and Country Planning (General Permitted Development) (England)
Order 2015 (as amended) for the installation of solar photovoltaic (PV)
equipment on the roof of the eastern wing of the building [Please note
that the western wing is within Test Valley Borough Council
administrative jurisdiction and that this application will not consider that
part of the scheme]**

In regard to application PN/26/101425, having reviewed the information
contained within the application pack, there would be **no objection** to the
proposals from a highway perspective.

The Solar PV equipment is to be located on existing roof structures, and as
such there will be no loss of parking or obstruction to vehicle or pedestrian
movement on site.

Yours faithfully,

Matt Grantham
